

This Week

This week at Hedgewood has been truly lovely, with lots of exciting opportunities for our children to learn, explore and shine. Our swimming trips have continued to be a real highlight, with the children thoroughly enjoying their time in the pool and demonstrating growing levels of confidence and independence. As the weather is beginning to change, we kindly ask parents and carers to ensure children bring labelled coats and hats. Items are often removed during playtime, and labelling helps us to return them quickly.

Coffee Afternoon

Our recent coffee event was a real success, bringing together both new and long-standing parents. It was wonderful to see everyone mingling, sharing experiences, and building connections within our school community. Events like these help strengthen the bond between home and school, and we are delighted that so many were able to attend. We hope even more families will be able to join us at our upcoming coffee events.

Our Garden

The children have been thoroughly enjoying spending time in the garden and sensory shed. These spaces have provided opportunities for calm, exploration, and creativity, and it has been wonderful to see the children engaging with nature in such a positive way. We have also begun planting together, which has sparked lots of curiosity and excitement as the children watch the first signs of growth and learn how to care for the plants.

Birthdays at Hedgewood

Birthdays are a fantastic opportunity to learn social skills, build friendships and create joyful memories.

As a Healthy School, we kindly ask that no birthday cakes are brought in. We will celebrate your child's birthday in class with healthy snacks and activities. This helps us keep our focus on promoting healthy eating habits while still having lots of fun! If you would like to send in gift bags for the children, it would be greatly appreciated, please contact the class teacher.
