This term we are looking forward to many opportunities for learning, creativity, and community, with events planned to bring pupils, families, and staff together. We are continually proud of the resilience and enthusiasm our pupils show each day, and we thank you for the support you give in helping them thrive.

### This Week

As we enter our second week, pupils are continuing to settle in smoothly after the break. Our teachers are reinforcing clear routines in the classroom to ensure a comfortable adjustment for everyone. At the same time, we're creating a positive and engaging environment to nurture a love of learning. It's been wonderful to see the excitement and enthusiasm grow as we move forward into an exciting and enriching term ahead!

### Our New Library

We are delighted to share that our library has been newly redesigned to create a welcoming and inspiring space for all our pupils. The new layout is bright, calm, and accessible, encouraging children to explore books and develop a love of reading. With cosy reading corners, refreshed book displays, and engaging resources, the library is a place where pupils can enjoy stories, discover new interests, and build confidence as readers. We are very proud of this transformation and look forward to seeing our children use the library as a hub of curiosity and imagination. To see more, follow us on Instagram, where we have shared a post showcasing the new space.

### Spare Clothes

We really appreciate parents and carers sending a set of spare clothes into school for their child, to be kept here in case of any unexpected accidents or during messy play activities. Having spare items readily available helps us ensure children remain comfortable and able to continue with their day without disruption. If you would like to provide spare clothes, please include a full set of clothing, including spare underwear, just in case. These do not need to be school uniform; any comfortable clothes are fine. If you are unsure whether your child will need them, please speak to their class teacher.
