

This Week

Despite the wet weather, it certainly hasn't stopped us from getting outside and making the most of our outdoor spaces. The children have continued to enjoy fresh air, movement, and outdoor learning. Last week's pantomime was a huge hit with our pupils. Most children were able to stay engaged for the full hour, which was fantastic to see, and they especially loved the singing and dancing elements. The joy and excitement on their faces made it a truly memorable experience. Looking ahead, Safer Internet Day is coming up soon. Our teachers are carefully planning how best to support our children to understand how to stay safe when using devices

School

Day

Mon-Thurs

8.30am—3pm

Friday

8.30am-2.30pm

The gate will close at 8.45am.

Updated Attendance Policy

Our Attendance Policy has recently been updated.

A helpful summary highlighting the key reminders and changes has been shared on Seesaw by our Attendance Officer for families to review.

The full and detailed version of the updated Attendance Policy is also available on our school website.

Online Safety at Home

**Safer Internet Day is next week 10th February 2026.**

This year's theme is 'Smart tech, safe choices - Exploring the safe and responsible use of AI'.

Everyone is talking about AI, and as children are hearing about and using AI online, it's important that they have

the support and skills to make safe choices when they are using smart technology.

Here are a few tips if your child is familiar with AI:

- **Keep it simple and supervised**—sit with your child while they are using devices
- **Watch out for emotional attachment**—some children may treat AI like a friend or confidant. AI is a tool, not a friend.
- **Stay tech safe**—Remind your child not to share personal information and let them know that AI can make mistakes

**A simple safeguarding framework you can use:**

**The 4 C's**

**Check** – AI might be wrong

**Careful** – don't share personal info

**Close by** – adults nearby during use

**Chat after** – talk about what was learned
