

Hedgewood School Sports Premium Impact

2018/2019

The Sports Premium grant is funding from the government designed to help primary schools improve the quality of the PE and sports activities they offer their pupils. Below is a summary of our spending for the academic year 2018/2019. The total funding allocated for this period was £17,378.

Sports Premium Plan 2018/2019

Sports Premium Intervention	Description	Impact	Amount Allocated
To continue to enhance the PE curriculum and access to specialist PE opportunities in the local community.	Year 5/6 children will continue to visit Botwell Leisure Centre to have access to gymnastics coaches and a specialised gymnasium, QPR football coaches and the sports hall. This will improve community access for the children and further support the development of their social and interaction skills.	Year 5/6 children have regularly attended sessions and enjoy going into the community to Botwell. They have increased their fitness levels and built on new skills from the targeted work with the specialist coaches in swimming, gymnastics and football.	£10,377.20
To offer swimming lessons for all year 5/6 classes alongside weekly sessions for KS1 classes.	For children to have access to swimming lessons with a trained swimming instructor and swimming assistant. This will aim to develop children's low muscle tone and increase their self-esteem and confidence when swimming. This will improve children's activity levels and thereby have a positive impact on their overall health and well-being. Swimming also supports the children's sensory developments and allows them structured time to access the water and develop their sensory skills in line with their individual sensory profiles.	KS1 children have had access to the swimming pools and instructors at Botwell alongside support from school staff when in the pool. Children's enjoyment has increased which has led to an increase in parents taking their children swimming outside of these sessions. Children's mobility and muscle tone has developed alongside their sensory developments.	£4939.60
To continue to give equal opportunities for all children with updated	PE instructor has ordered increased volume of equipment to	Increased equipment has led to further improved	£2061.20

<p>and increased PE equipment to support the teaching of all areas of the PE curriculum.</p>	<p>support children's needs in PE lessons and ensure coverage of all areas of the PE curriculum. The equipment used in PE lessons supports children's gross motor skills development and allows the children to work on their integrated Occupation Therapy targets.</p>	<p>PE lessons and children's enjoyment increasing. All children have access to the equipment available and have made progress in their physical development as well as their gross motor skill development under supervision from the school PE instructor and our school based OT's.</p>
